Consider the Movies schema from the handout, to solve the following exercises.

Q1: Find all pairs of Movies that appeared in the same year.

Q2: Find the names of all filming crew members, that either had a role in the “Star Wars IV” movie, or who directed this movie.

Q3: Express an integrity constraint which ensures that no movie directed by Kubrick has its release year after his year of death (1999).
Q4: Express an integrity constraint which ensures that no movie other than 'Lord of the Rings' is allowed to be longer than 3 hours.
